

## Eden Valley Mountaineering Club Fell Races 1990 - 2017

Winners' times are in **red**, 2nd places in **blue** and 3rd in **green**.

Note that in 1997 we had a couple of KAC runners - ie genuine fell runners, not climbers who do a bit of running!

In 1999 the race was replaced by a multi-event challenge.

In 2001 the race was held on Common Fell.

The races from 2010 onwards went the longer way past the shooting box, sticking to the main path

There was no race in 2012 and it moved to early 2013. In 2014 the race was also in February.

The race changed to clockwise in 2013 - but then changed back again to anticlockwise in 2017

The times for 2011 are based on Davis memory and therefore to be taken with a pinch of salt. The order is believed to be correct.
